## SUSTAINABILITY , SPIRITUAL GROWTH AND DEVELOPMENT

### BISHOPS HIGHLIGHTS:

#### Bishop's Engagements

- The Bishop of Bondo was elected NCKK Nyanza region Chairman.
- We make appeal to all our Christians , friends and well wishers to contribute generously towards our Synod plaza on 23rd of September.
- The completion of the plaza will help the church mitigate the deficit in her budget and also reducing the financial burden on Christians. Be part of us. Walk with us. Pray with us and share with us God's blessings for the glory of His name.
- We have began the process of working out partnerships with both local and foreign agencies hoping that we shall open new frontiers of engagements for our ministry. Walk with us in this journey of faith.

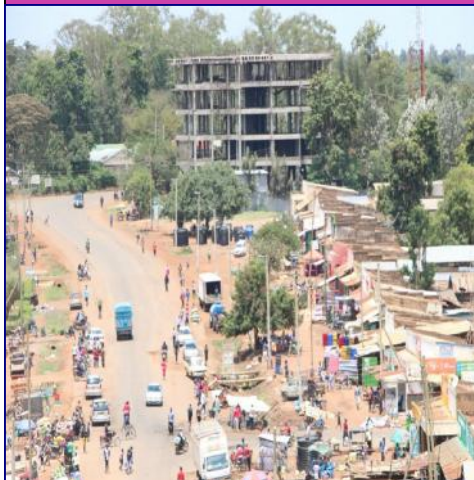

Our core business as a Diocese is Evangelism and Christian growth where there are many challenges to be overcome. The Diocese is constructing a 7 storey modern building with adequate parking, banking halls, office space and lecture halls. The construction work is in progress and is at the 5th floor.

The floor areas are as follows per square feet:

Ground floor	6994
First floor	6348
Second floor to Seventh floor	5595

The construction has faced numerous financial challenges which caused the work thereof to be suspended. As the church leadership we have not given up on this project which will help the Diocese in generating adequate income to sustain its functions. So far the building has attracted interest from several institutions i.e. banking sector, medical, law firms, educational institutions and various corporate bodies.

We have planned for a **Thanksgiving service on 23rd September 2018** and **H.E. Hon Moody Awori**, the former Vice President, has graciously accepted to be our chief guest. Funds collected this day will be towards the completion of the said building. Mobilization has began with identification of Champions who are our ardent supporters. We look forward to having more of our Christians and friends come up to support our dream. Be our Champion today by completing our **Engagement and Sustainability Form** (page 4) as we mobilize funds towards our September thanksgiving service.
